■ KITIMU'S MISSION BRIEFING

Ranger, this field mission goes with Lesson 3.5. Get outside, use all your senses, stay safe with an adult. The night world is calling — answer it.

■ WHAT YOU NEED

- ☐ Recording device (phone)
- ☐ Quiet outdoor spot
- ☐ Patience

■ YOUR MISSION STEPS

- 1 After dark, sit near trees in a garden or camp.
- 2 Listen for a high, baby-like crying sound.
- 3 If you hear it — that's a Thick-tail Bush Baby!
- 4 Record the sound for 20 seconds.
- 5 Compare it to a bush baby call online.
- 6 Bonus: find a YouTube recording first so you know what to listen for.

■ RANGER REFLECTION
