

THE GREAT NIGHT SAFARI

Lesson: Final Mission

■ KITIMU'S MISSION BRIEFING

Ranger, this field mission goes with Lesson 3.7. Get outside, use all your senses, stay safe with an adult. The night world is calling — answer it.

■ WHAT YOU NEED

- ☐ Journal
- ☐ Torch (red filter if possible)
- ☐ Warm clothes
- ☐ Adult companion
- ☐ 2 hours of courage

■ YOUR MISSION STEPS

- 1 Plan a full 1-2 hour night exploration with an adult.
- 2 Take your journal. At every sighting, write: TIME, ANIMAL, SOUND, EYE-COLOUR.
- 3 Try to spot at least 3 nocturnal creatures.
- 4 Use everything you've learnt: eye-shine rules, owl calls, scorpion safety.
- 5 Take NO flash photos — it disturbs animals.
- 6 End the safari by looking up at the stars for 5 silent minutes.
- 7 Write a 3-sentence reflection in your journal.
