

LESSON 2.2 · WEATHER & CLIMATE

MY 7-DAY WEATHER DIARY

Record the sky every day for a week, then decide: weather or climate?

SCOUT SAYS

For 7 days, step outside and record what you see and feel. At the end, look back: was this just weather, or a pattern (climate)?

DAY	DATE	SKY / CLOUDS	WIND	HOW IT FEELS	RAIN?
MON					
TUE					
WED					
THU					
FRI					
SAT					
SUN					

END-OF-WEEK REFLECTION

Was this WEATHER (day-by-day) or CLIMATE (a long-term pattern)? Why do you think that?
